

BICYCLIST CODE

Non-residents are allowed entry only through the central main gate.

1. **On the road, stay in your lane:** Be aware that you share the road with automobiles.
2. **Cresta Road Caution.** Use caution on Cresta Road. Observe the cyclist symbols painted in the roadway for proper side of the road.
3. **Ride single file only**
4. **Leave No Trace:** Practice low impact cycling to protect trails. A muddy trail is a closed trail. Keep to the line of existing trails, avoid skidding and take your litter home.
5. **Control Your Bicycle:** Stay focused, check your speed, and think about other people.
6. **Always Give Way:** Yield to uphill hikers and bicyclist. Let people know you are there. Pass wide and slow, particularly with hikers and approach with caution on blind corners and descents. Remember - [Be Nice, Say Hi!](#)
7. **Always Plan Ahead:** Know your bicycle, your equipment, your ability and the area, and wear appropriate safety gear and helmet.
