Arrowhead Mountain Trails

Navajo Trail

Distance: ¼ mile loop

Time: 30 mins

Difficulty: Green

Elevation Gain: 100 feet

This children's trail is an integral part of the playground and may be accessed from the east or west end of the playground. It consists of two connected loops, lower and upper. Along the way on both loops are balance beams, stepping-stone tree stumps, and a viewing platform over-looking the playground. The lower loop provides access to the children's slide. Winter grooming: None

Cherokee Trail

Distance: 1 mile loop

Time: 45 mins

Difficulty: Green

Elevation Gain: 200 feet

Designed with families and fitness in mind, there are fitness stations along the way and benches at the top for enjoying the view. The trail can be accessed either across from the skier drop off circle on Cresta Road, or across Cresta Road from the Arrowbahn lift. The trail accesses great views of the Community, Country Club of the Rockies and Arrowhead Mountain. Winter grooming: None

Ute Trail

Distance: 6 miles out/back

Time: 3 hours

Difficulty: Blue

Elevation Gain: 1200 feet

This trail begins at the marked signs east of the lift at the Arrowhead base. The Ute trail ends at the 3 mile point where it connects via Little Brave with the Village to Village trail. Hikers may choose to descend on the Apache Trail for a loop hike. The Ute/Apache loop is a very popular biking trail. The Ute Trail is designated for UPHILL biking traffic. Winter Grooming: None
